

Community Citizenship Award

Nomination Form

RE/MAX agents are not only known for being the most productive agents in the business, but also for the commitment they have to their communities. Through activities such as local civic organizations, charitable endeavors, and real estate related boards and professional groups – RE/MAX agents embody the spirit of giving back.

RE/MAX North Central is seeking RE/MAX associates who exemplify the qualities of a true community citizen. Often the “unsung heroes,” they act as mentors, coaches, and cheerleaders in their offices, neighborhoods, and communities. We will honor one agent in each state with the Community Citizenship Award at the Specialty Awards Event in February.

To nominate, please submit this form to Michele Roy via fax, 952-897-0448, or email mroy@remax-nc.net by **Wednesday, January 26th**.
