NEW INRIX Drive Time™ Feature on Lead Street Site

Results Appear Here

The screenshot displays the RE/MAX Legends Group website interface. At the top, there are navigation links for "Home", "Properties", "Services", "Community", "Profile", and "Contact". A search bar is prominently featured with filters for "Location" (Carmel, IN), "Beds" (3+), "Baths" (2+), and "Price" (\$150,000 to \$250,000). A "Search" button is visible. Below the search bar, a map of Carmel, IN, is shown with numerous blue house icons representing property listings. A red arrow points from the "Results Appear Here" text to the map area. At the bottom of the page, the INRIX Drive Time feature is highlighted with a red box and the text "Click on INRIX Banner to Open". This feature includes a text input for "Enter Address (city or zip code)", a "Set" button, and a "Use target to set your location on map" option. Below this, there are dropdown menus for "Drive" (set to "To Location"), "Time of Day" (set to "7:00 AM"), and "Drive Time" (set to "20 Min."). The INRIX Drive Time logo is also present.

INRIX Drive Time™ Feature on Lead Street Site

Results Appear Here in a Distinct Highlighted Shape

1. Clients click on the target button (*can also type in address and skip to step 3*),
 2. Click on a spot on the map to set a daily destination such as their workplace, kids' school, or similar.
 3. Set the time of day typically going there and
 4. desired drive time from a new residence.
- Once a point has been set, an area will be shaded on the map indicating the estimated distance one might expect to be able to drive to or from the specified point given the time of day and drive duration.
