

PUT YOUR MONEY WHERE THE MIRACLES ARE

...and make a difference in a child's life

THE NEW MIRACLE SYSTEM Coming July 11, 2016!

The powerful new Miracle System, the donation website for RE/MAX Associates and Offices, has been completely overhauled, making it easier than ever to manage your Miracle Home and Miracle Property donations to Children's Miracle Network Hospitals®. Whether you're a current supporter who wants to learn the new system or you're interested in learning how to start supporting your local CMN Hospital, this information is a great start.

How to use it

- As long as you have a **remax.net username and password**, you can access the new Miracle System through MAX/Center as soon as the site is live. If you don't remember your remax.net username and password, or you don't have a remax.net account, contact RE/MAX eCare at eCare@remax.net.
- To **access the new Miracle System**, go to remax.com and click the "RE/MAX Affiliate Log In" link in the footer. Enter your remax.net username and password on the MAX/Center login screen, and then click the Miracle System tile on your MAX/Center dashboard.
- There are **two types of Miracle System accounts**:
 1. **Office Administrator** (for Broker/Owners and Office Administrators)
 2. **Individual** (for Associates)
- **How-to videos** for both types of accounts will be available on the New RU and YouTube.
- **Four live webinars** will take place on July 12 and July 14 (two for Associates and two for Broker/Owners and Administrators).

Want to know more? Email miracles@remax.net.
